Solartron Metrology have conducted a review of our product range and we currently comply to RoHS requirements as set by the RoHS directive EU RoHS 2(Directive 2011/65/EU) and amendment to Annex II Directive (EU) 2015/863.

Solartron Metrology ensure compliance by ensuring RoHS requirements are placed on our Purchase Orders to our suppliers.

Solartron Metrology periodically audit our main suppliers and RoHS is part of the audit plan.

Solartron Metrology passed an Ametek Compliance Audit where the Ametek auditors reviewed our RoHS controls.
